For The Good of the Association:

Keith Baker related a story to everyone about a meritorious act performed by Jim Flynn yesterday on vendor row. It seems that a young lady had gotten a ring stuck on her finger that neither she, nor anybody else, could remove. It had become so tight that she was getting very upset and quite distressed. The moment Jim saw the situation he took the young lady to his gunsmith's trailer, and using one of his tools, cut the ring. However, the ring still could not be removed, and the young lady became even more upset. Jim grabbed two sets of pliers, and using every bit of strength he had, was finally able to pry the ring apart so that it could be removed from the girl's finger. Keith wanted to relate that story because he felt most good deeds go completely unnoticed.

In closing, Past President Bob Slough presented President Erwin with a President's leather shooting bag and a Past-President's pin. The association thanked Kevin for his efforts and leadership throughout the year.

With no further business being brought to the floor, and with everyone looking forward to the Hall of Fame induction ceremony of Robert Terry:

Motion: Gil Martinusen Second: Jim McCullough

To adjourn the meeting at 8:20am.
