ATA rules will govern this shoot and all event targets will be registered with the ATA.

This program has been carefully prepared and planned in accordance with conditions and expected attendance. However, the management reserves the right to alter this program if conditions warrant at the time of the shoot.

Scorers will call out scores after five targets. It is your responsibility to correct any errors at that time. The score sheets will not be changed after shooters rotate a post.

There will be no ties. Ties can be called on a carryover, coin flip or shoot off. Any required shoot offs will take place after all regular events are completed. Shooters will be given 2 five minute shoot off calls. Any shooters not responding to shoot off calls will forfeit.

No shooter may win more than one award per event. Ladies, Juniors and Veteran's may only win one award ( either combined or yardage/class) on combined events.

All dogs and animals must be on a leash while on club grounds. Please clean up after your pets!
