## PRESIDENT'S MESSAGE

On Behalf of the Officers and Board of Directors of the California Golden State Trapshooters Association it is my great honor and privilege to invite you to attend the 101st California State Shoot, again being held at Kingsburg Gun Club.

Let me begin by thanking all the directors that I have had the pleasure to work with this year and every year that I have served on the Board of Directors. Without their time and dedication to the sport of trapshooting this shoot could not have taken place. Thank you also to the Board and members of Kingsburg Gun Club and last and certainly not least thank you to all the shooters that keep our sport alive. I hope each and every one of you have a wonderful state shoot.

Once again White Flyer will be hosting a "fun" event, the Pump Gun Event on Friday night. This year the event will be pump doubles and will be open to the first 20 shooters to sign up. White Flyer has generously donated the targets and trophies for this event and it promises to be a good time. In addition to the pump gun shoot, White Flyer has also donated awards for our HOA trophies.

Thank you to all the Advertisers and Individuals that supported this program. The CGSTA truly appreciates your generosity. Thank you also to Kern County Gun Club for the donation of added money in our Member Memorial Handicap. KCGC no longer hosts ATA shoots and they had Perfect 50's monies left in their coffers. KCGC donated this money back to the shooters in the form of added money for the State Shoot.

This year we return to the traditional CGSTA method of pre-squadding for the shoot. Pre-Squads will be open from May 12, 2014 to June 14, 2014. You will find the pre-squad form in the center of this program. Be sure to get your pre-squad in early to ensure you secure your preferred squad. Norm Volponi and his staff will be on hand to cashier and squad this year at the state shoot.

Ladies Bingo will again be offered Wednesday -Friday. Thank you to Bev Curten, Shelia Curten and Ruby Erwin for keeping this tradition rolling!

Please plan on attending the State Team Awards Presentation this year to honor the best of the best shooters in California. The Presentation will be in front of the handicapping room Friday June 27th between Events 6&7. In addition to that awards presentation please make time to attend the California Hall of Fame Induction ceremony to be held immediately following conclusion of CGSTA business Sunday morning.

The California State Shoot has long been one of my most favorite events, from being a kid in the river while my dad shot, to a shooter that attended the shoot, to a director that volunteered time and being able to serve as President this year has been the crown on the whole experience. I hope this State Shoot is one you will remember and I look forward to seeing you at the shoot.

Enjoy your State Shoot!!!  
Kym Hughes  
CGSTA President

# WELCOME FROM THE KINGSBURG GUN CLUB

OFFICIAL HOME OF THE CALIFORNIA TRAPSHOOTING CHAMPIONSHIPS

The board of directors and membership welcome you to the 2014 Kingsburg Gun Club for the 48th time.

We welcome all shooters and their families to the 101st California State Shoot and we look forward to hosting the shoot in affiliation with the CGSTA. KGC members have put forth great effort in preparing the grounds for this event, hoping to make all shooters feel welcome and hoping that we can provide the best services that we can at our facility. The shoot brings in much needed revenue for the club and the surrounding community. We invite you to take advantage of the services on the grounds as well as in the immediate community of Kingsburg and the surrounding areas.

The Kingsburg Gun Club has self-contained camping spaces that are limited to use only by ATA members and shoot participants. These spaces are allotted on a first-come first-served basis, and are subject to daily camping fees.

No motorcycles, mopeds, motor scooter, or golf carts will be allowed on the club grounds, except those used by shoot personnel. No boats or personal water craft will be allowed on the launch ramp or in the beach area at the Kingsburg Gun Club for the duration of the pre-state shoot and the state championship shoot.

The Kingsburg Gun Club and the CGSTA membership are animal lovers, but for the safety of the animals and the families that attend the shoot, we ask that you leave your pets at home. Participants and campers with pets **MUST** camp and park at the east end of the grounds near "E" bank. Dogs will not be allowed anywhere on the grounds west of "E" bank.

A strict 10pm curfew for minors will be enforced. Minors found wandering the grounds after 10pm, and their parents, may lose their camping privileges and be asked to leave the grounds at the club's discretion.

The Kingsburg Gun Club reserves the right to ask any shooter, vendor, or camper, or members of their party to leave the grounds for any reason that shoot management deems necessary.

Shotgun shells and other shooting supplies will be available on the grounds, and we ask that you patronize our vendors during your visit. No other shells may be sold on the club grounds. Anyone caught selling or delivering shells on the club grounds will be asked to leave.

The Kingsburg Gun Club and the CGSTA welcome you once again and hope that you have a safe, fun, and enjoyable time at the 101st California State Shoot.

Sincerely,  
Jay Wright President KGC

## **TROPHIES**

No shooter may win more than one (1) ATA trophy in the same event. This means a contestant may not win both Champion and runner-up/place, class, yardage, or special category.

Special category shooters may declare only one Category – Lady I, Lady II, Junior Gold, Sub Junior, Junior, Sub Veteran, Veteran or Sr. Veteran.

Any shooter who is tied for event champion may shoot for the Championship trophy. If a shooter fails in the Champion Trophy shoot-off and has declared a special category, the shooter will fall back to category.

Any shooter who has declared a special category and whose score qualifies him/her for a trophy in that category will compete for the category trophy and not for place, class or yardage group.

Any shooter who has declared a special category and whose score doesn't qualify for a trophy in that category may compete for place, class or yardage group.

See Official ATA Rules dated September 1, 2013, Rule X, D; pg36-37

## PURSES AND OPTIONS

**High Gun System:** This is a winner(s) take all system where the shooters playing the purse with the highest score(s) divide the pot. If, for example, the purse money division is 40%-30%-20%-10% High Gun and there are two 100s and three 99s, the two 100s will receive 35% each (1/2 of the 40% +30%) and the three 99s will receive 10% each (1/3 of the 20%+10%).

**Lewis Class:** Other than the high score(s), the other winners in this purse are primarily a matter of chance (luck). When the event is completed, the scores of all participants are listed from highest to lowest and then they are divided into as many groups as there are classes. If a dividing line splits a score, that score goes to the group in which the majority reside, to the lower in case evenly split. At that point, each class allocates its (even) share of the total entry percentage system within the class.

**Percentage System:** This option is based on a fixed number of scores. For example, if the allocation is 50%-30%-20% Percentage system, then all participating shooters shooting the high score will split 50%, all participants shooting the second high score will split 30% and all participating shooters with the third high score will split the 20% share.

Federal Tax Law requires the issuance of 1099 Misc. on winnings over \$600.

## TARGET SETTING

### **ALL ORANGE TARGETS WILL BE THROWN**

The Target Setting Committee shall meet and, after securing predicted weather conditions for the day, set targets each morning and upon event changes in accordance with ATA rule section XIII, E (page 48) and section XIII, F, (page 49) of the ATA Official Rules. Singles and handicap targets will be set at a minimum of 42 MPH. Height of singles and handicap targets will be set between 8 and 10 feet using a recommended height of 9 or 9 and ½ feet. The speed of doubles targets will be a minimum of 39 MPH using the right hand target and a height between 8 and 10 feet using a recommended height of 9 or 9 and ½ feet.

After the Target Setting committee has completed setting the targets, the Field Supervisors (Line Referees) are the only individuals authorized to allow resetting of targets. Targets shall only be reset if they become illegal or appreciable vary from the legal targets described above. The final decision as to whether a trap is to be reset shall be made by the Line Referees.

## PRE-SQUAD PROCEDURE

The CGSTA is offering pre-squadding for the 2014 California State Shoot. There will be a non-refundable \$7 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted, but all entries must be mailed with a \$7 pre-squad fee for each shooter. ( There is a provision for any shooter forgetting to send money as this can be added to your entry form and paid for at time of entry.) Shooters wanting to shoot together on the same squad **MUST** send in their forms together.
2. **Do NOT send cash as payment of your pre-squad fees!**
3. **Do NOT pre-pay your event fees (Daily, Event, or Options)!**
4. Send your pre-squad form and check, payable to CGSTA, to:

**CGSTA Pre-Squadding  
1045 Oak Glen Rd  
Santa Ynez, Calif. 93460**

To assure being pre-squadded, pre-squad forms must be postmarked no earlier than May 12, 2014 and no later than June 14, 2014. The CGSTA will not be responsible for any late or lost entries.

5. If you send a self-addressed, stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.
6. The pre-squad Handicap window will be open Sunday, June 22 from 11am to 3pm. After you are classified, take your entry form to the cashier window. This completes your entry into the shoot. **Only Pre-Squadded shooters will be processed at this time. Regular Entries will open Monday, June 23, at 11am.**
7. To avoid short squads, pre-squad forms **MUST** be picked up and processed before your first requested event or your assigned squad will be opened up to the public for the remaining events. The highest available squad for pre-squad will be #95.

**If the requested squad or post is not available, you will be squadded by your alternate choices. If there are not alternate squad or post marked the squadder will use his/her judgment.**

People who pre-squad must shoot the same squad number for all events, except for doubles. Because the number of people shooting doubles is fewer, shooters may be moved up to fill doubles squads. Pre-squadded shooters must pay for all targets at the time of their initial entry.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder **MUST** be notified.

**Pre-Squadding will be done in the following order:**

1. Full squads/individuals shooting the whole program.
2. Partial squads shooting the whole program.
3. Full squads shooting a partial program
4. Partial squads/individuals shooting a partial program.
