PRESIDENT'S MESSAGE

On Behalf of the Officers and Board of Directors of the California Golden State Trapshooters Association, it is my pleasure and privilege to invite you to attend the 102nd annual California State Shoot, again being held at the beautiful Kingsburg Gun Club.

It takes a small army to put together the California State Shoot so let me begin by thanking all the directors I have had the pleasure to work with this year. Without their time and dedication to the sport of trapshooting this shoot could not have taken place. Thank you also to the Board and members of the Kingsburg Gun Club and last but certainly not least thank you to all the shooters that keep our sport alive. I hope each and everyone of you truly enjoys your time at the state shoot.

This year we lost a vital part of the state shoot. Danny Boucher, longtime camping chairman for Kingsburg, passed away unexpectedly. Our condolences to his family and to his Kingsburg family.

Once again White Flyer will be hosting a “fun” event, the Pump Gun Shoot, on Friday night. Again this year the event will be pump gun doubles and will be open to the first 20 shooters to sign up. White Flyer has generously donated the targets and the awards for this event. In addition to the pump gun shoot White Flyer has also donated the HAA awards for the state shoot this year.

Thank you to all the advertisers and individuals that supported the program this year. The CGSTA truly appreciates your support and generosity.

This year we continue with the traditional CGSTA method of presquadding for the shoot. Pre-Squads will be open from May 11, 2015 to June 13, 2015. You will find the pre-squad form in the center of the program. Be sure to get your pre-squad in early to ensure you secure your preferred squad.

Ladies Bingo will again be offered Wednesday- Friday. Thank you to Ruby Erwin, Bev Curten and Shelia Curten for keeping this tradition alive! Also a thank you to the California Trapshooting Hall of Fame for their donation to the Bingo this year.

Please plan on attending the State Team Awards Presentation this year to honor the best of the best shooters in California. The presentation will be in front of the Handicapping Office, Friday June 26th, between Events 6&7.

Looking forward to seeing each and everyone of you at the 102nd California State Shoot. Enjoy your State Shoot!! Break them all!!

Good Luck Shooters!

Julie Robinson

CGSTA President 2014/15

WELCOME FROM THE KINGSBURG GUN CLUB

OFFICIAL HOME OF THE CALIFORNIA TRAPSHOOTING CHAMPIONSHIPS

The board of directors and membership welcome you to the 2015 Kingsburg Gun Club for the 49th time.

We welcome all shooters and their families to the 102nd California State Shoot and we look forward to hosting the shoot in affiliation with the CGSTA. KGC members have put forth great effort in preparing the grounds for this event, hoping to make all shooters feel welcome and hoping that we can provide the best services that we can at our facility. The shoot brings in much needed revenue for the club and the surrounding community. We invite you to take advantage of the services on the grounds as well as in the immediate community of Kingsburg and the surrounding areas.

The Kingsburg Gun Club has self-contained camping spaces that are limited to use only by ATA members and shoot participants. These spaces are allotted on a first-come first-served basis, and are subject to daily camping fees.

No motorcycles, mopeds, motor scooter, or golf carts will be allowed on the club grounds, except those used by shoot personnel. No boats or personal water craft will be allowed on the launch ramp or in the beach area at the Kingsburg Gun Club for the duration of the pre-state shoot and the state championship shoot.

The Kingsburg Gun Club and the CGSTA membership are animal lovers, but for the safety of the animals and the families that attend the shoot, we ask that you leave your pets at home. Participants and campers with pets MUST camp and park at the east end of the grounds near "E" bank. Dogs will not be allowed anywhere on the grounds west of "E" bank.

A strict 10pm curfew for minors will be enforced. Minors found wandering the grounds after 10pm, and their parents, may lose their camping privileges and be asked to leave the grounds at the club's discretion.

The Kingsburg Gun Club reserves the right to ask any shooter, vendor, or camper, or members of their party to leave the grounds for any reason that shoot management deems necessary.

Shotgun shells and other shooting supplies will be available on the grounds, and we ask that you patronize our vendors during your visit. No other shells may be sold on the club grounds. Anyone caught selling or delivering shells on the club grounds will be asked to leave.

The Kingsburg Gun Club and the CGSTA welcome you once again and hope that you have a safe, fun, and enjoyable time at the 102nd California State Shoot.

Sincerely,
Jay Wright President KGC

DELEGATES WELCOME

I would like to take this time to welcome shooters and their families to the 102nd California State Shoot.

Thank you to the Kingsburg Gun Club for hosting this event for us again this year. We have developed a real tradition that I hope can continue. We appreciate all the volunteers and their efforts to make this State Shoot a success.

I would also like to recognize these three different organizations, the SCTP, CYSSA, AIM, and their coaches. With their help we are seeing an increased interest in trapshooting. This is helping to perpetuate our sport and keep in growing.

Lastly, I would hope that shooters would take a few moments to remember the members that we have lost over the years. They were all part of the great memories that make this a great sport.

Thank,

Dan Bonillas

PURSES AND OPTIONS

High Gun System: This is a winner(s) take all system where the shooters playing the purse with the highest score(s) divide the pot. If, for example, the purse money division is 40%-30%-20%-10% High Gun and there are two 100s and three 99s, the two 100s will receive 35% each (1/2 of the 40% +30%) and the three 99s will receive 10% each (1/3 of the 20%+10%).

Lewis Class: Other than the high score(s), the other winners in this purse are primarily a matter of chance (luck). When the event is completed, the scores of all participants are listed from highest to lowest and then they are divided into as many groups as there are classes. If a dividing line splits a score, that score goes to the group in which the majority reside, to the lower in case evenly split. At that point, each class allocates its (even) share of the total entry percentage system within the class.

Percentage System: This option is based on a fixed number of scores. For example, if the allocation is 50%-30%-20% Percentage system, then all participating shooters shooting the high score will split 50%, all participants shooting the second high score will split 30% and all participating shooters with the third high score will split the 20% share.

Federal Tax Law requires the issuance of 1099 Misc. on winnings over \$600.

TARGET SETTING

ALL ORANGE TARGETS WILL BE THROWN

The Target Setting Committee shall meet and, after securing predicted weather conditions for the day, set targets each morning and upon event changes in accordance with ATA rule section XIII, E (page 46) and section XIII, F, (page 47-48) of the ATA Official Rules. CALIFORNIA TRAPSHOOTING HALL OF FAME, INC.

The California Trapshooting Hall of Fame Board of Directors would like to express our gratitude to you all for supporting our cause.

It is through your generous donation of prizes and the purchase of raffle tickets that we are able to not only maintain the existing museum, but also raise the funds for the construction of a larger permanent facility on the site the museum currently occupies.

Once completed, we believe our state will have the finest, most modern Trapshooting Hall of Fame anywhere in the country. We sincerely appreciate your ongoing assistance of our efforts to achieve this goal.

*Welcome Shooters
from
Baker's Custom Earplugs*

Our booth has been on vendor row since the 1980's. We thank you for the privilege of your business and the friendships. I am proud to be a trapshooter for the past 30 years and grateful for your company.

I am also proud to support all the youth shooting activities. They're our future and a great joy to this sport. Juniors always get a discount at our booth and 30% off on all earplugs. We will be there for youth shooting day.

We offer all electronic sports hearing products at greatly reduced prices. We also carry Decot, NYX and E-Z Eyes shooting glasses, grip cap monograms and full grip engraved pieces.

Shooting is not my business, it's my passion.
Best of luck to everyone and I hope to see you in a shoot-off.

PRE-SQUAD PROCEDURE

The CGSTA is offering pre-squadding for the 2015 California State Shoot. There will be a non-refundable \$7 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted, but all entries must be mailed with a \$7 pre-squad fee for each shooter. (There is a provision for any shooter forgetting to send money as this can be added to your entry form and paid for at time of entry.) Shooters wanting to shoot together on the same squad **MUST** send in their forms together.
2. **Do NOT send cash as payment of your pre-squad fees!**
3. **Do NOT pre-pay your event fees (Daily, Event, or Options)!**
4. Send your pre-squad form and check, payable to CGSTA, to:

**CGSTA Pre-Squadding
1045 Oak Glen Rd
Santa Ynez, Calif. 93460**

To assure being pre-squadded, pre-squad forms must be postmarked no earlier than May 11, 2015 and no later than June 13, 2015. The CGSTA will not be responsible for any late or lost entries.

5. If you send a self-addressed, stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.
6. The pre-squad Handicap window will be open Sunday, June 21 from 11am to 3pm. After you are classified, take your entry form to the cashier window. This completes your entry into the shoot. **Only Pre-Squadded shooters will be processed at this time. Regular Entries will open Monday, June 22, at 11am.**
7. To avoid short squads, pre-squad forms **MUST** be picked up and processed before your first requested event or your assigned squad will be opened up to the public for the remaining events. The highest available squad for pre-squad will be #85.

If the requested squad or post is not available, you will be squadded by your alternate choices. If there are not alternate squad or post marked the squadder will use his/her judgment.

People who pre-squad must shoot the same squad number for all events, except for doubles. Because the number of people shooting doubles is fewer, shooters may be moved up to fill doubles squads. Pre-squadded shooters must pay for all targets at the time of their initial entry.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder **MUST** be notified.

Pre-Squadding will be done in the following order:

1. Full squads/individuals shooting the whole program.
2. Partial squads shooting the whole program.
3. Full squads shooting a partial program
4. Partial squads/individuals shooting a partial program.
