PRESIDENT'S MESSAGE

On Behalf of the Officers and Board of Directors of the California Golden State Trapshooters Association, it is my pleasure and privilege to invite you to attend the 103rd annual California State Shoot, again being held at the beautiful Kingsburg Gun Club.

Let me begin by thanking all the directors I have had the pleasure to work with this year and every year I have served on the board. Without their time and dedication to the sport of trapshooting this shoot could not have taken place. Thank you also to the Board and members of the Kingsburg Gun Club and last but certainly not least thank you to all the shooters that keep our sport alive. I hope each and everyone of you truly enjoys your time at the state shoot.

Thank you to all the advertisers and individuals that supported the program this year. The CGSTA truly appreciates your support and generosity.

This year we continue with the traditional CGSTA method of presquadding for the shoot. Pre-Squads will be open from May 9th, 2016 to June 11, 2016. You will find the pre-squad form in the center of the program. Be sure to get your pre-squad in early to ensure you secure your preferred squad.

Ladies Bingo will again be offered Wednesday- Friday. Thank you to Ruby Erwin & Bev Curten for keeping this tradition alive! Also a thank you to the California Trapshooting Hall of Fame and Bob Gioia for their donations to the Bingo this year.

Please plan on attending the State Team Awards Presentation this year to honor the best of the best shooters in California. The presentation will be in front of the Handicapping Office, Friday June 24th, between Events 6&7.

Looking forward to seeing each and everyone of you at the 103rd California State Shoot. Enjoy your State Shoot!! Be safe and Shoot Well!!

Good Luck Shooters!

Ed Hammond

CGSTA President 2015/2016

WELCOME FROM THE KINGSBURG GUN CLUB

OFFICIAL HOME OF THE CALIFORNIA TRAPSHOOTING CHAMPIONSHIPS

The Kingsburg Gun Club Board of Directors and the membership would like to welcome you to our club for the 50th time for the 2016 CGSTA State Shoot.

We welcome all shooters and their families to the 103rd California State Shoot and we look forward to hosting the shoot in affiliation with the CGSTA. KGC members have worked very hard for the last three months to prepare the grounds for this event. Our club has also recently finished a shot screen that spans the entire length of the trap fields. The screen is black in color and stands forty feet tall at a little over 110 yards from the 16 yard line. We hope that the improvements that have been made will make your shooting experience even better than before. The KGC, as well as the local community benefit greatly from the revenue that the shoot brings in, please don't hesitate to take advantage of our services or the services in the local communities and surrounding area. It is greatly appreciated.

The Kingsburg Gun Club has self-contained camping spaces that are limited to use only by ATA members and shoot participants. These spaces are allotted on a first-come first-served basis, and are subject to daily camping fees. For Safety reasons no motorcycles, mopeds, motor scooter, or golf carts will be allowed on the club grounds, except those used by shoot personnel. No boats or personal water craft will be allowed on the launch ramp or in the beach area at the Kingsburg Gun Club for the duration of the shoot.

The Kingsburg Gun Club and the CGSTA membership are animal lovers, but we respectfully request that you please leave your pets at home, if you must bring your pets and are participating in the shoot or camping on the grounds you will be restricted to the east end of the grounds near E bank with your pets. Dogs will NOT be allowed anywhere on the grounds west of E bank

A strict 10pm curfew for minors will be enforced. Minors found wandering the grounds after 10pm, and their parents, may lose their camping privileges and be asked to leave the grounds at the club's discretion.

The Kingsburg Gun Club reserves the right to ask any shooter, vendor, or camper, or members of their party to leave the grounds for any reason that shoot management deems necessary.

Shotgun shells and other shooting supplies will be available on the grounds, and we ask that you please patronize our vendors during your visit. No other shells may be sold on the club grounds. Anyone caught selling or delivering shells on the club grounds will be asked to leave.

The Kingsburg Gun Club and the CGSTA welcome you once again and hope that you have a safe, fun, and enjoyable time at the 103rd California State Shoot.

Sincerely,
Karl Alger, President KGC

ANNOUNCEMENTS

This printed program will govern the California State Shoot

The current Amateur Trapshooting Association Official Rules will govern all points not otherwise enumerated. The Executive Committee reserves the absolute right, in its discretion, at any time prior to or during the California State Shoot to change or modify the program in any manner it desires. Interpretation of this program will be made by the Executive Committee and their decision shall be final.

In case entries are so numerous that darkness and or any other cause prevents the finish of any event the same day it commenced, the CGSTA reserves the authority to stop the shooting at any time it may be deemed necessary. In this case, conditions permitting, the event will resume where it was interrupted promptly the next day at a time no later than 8:00am.

In case of ties not otherwise covered, the monies for the number of places covered will be added together and divided equally among those in the tie, regardless of the outcome of any shoot-offs.

REFUND POLICY: Refunds will be issued on a case by case basis. Any changes, additions(Options) or removal from an event must be completed 1 (one) hour prior to start of event.

State Shoot pins be will issued as long as supplies last.

Starting banks for each event are determined by draw. Singles and Handicap events are done first, and then doubles. The letters B-G are put into a hat. Once a letter is pulled it is not returned to the hat. The first letter drawn is the starting bank for Event 1, the next letter is for Event 2, etc, until all the singles and handicap events have been done.(For Event 9 all letters will be returned to the hat and one (1) letter will be drawn to determine starting bank). Then the letters C-N are put into a hat. A letter is drawn for Event 5 and another for Event 6.

All ties in Events 1,2,3,4,& 5 will be carried over to the next like event and be determined trap by trap. The only exception will be if in a Handicap Event a yardage change will effect a shooter. In that event the tie will be shot off in the traditional manner at the conclusion of the days tournament events. All handicap carry overs will be "cleaned up" on Friday June 24th.

"B" bank will be used for those shooters who need to shoot on a handicapped accessible field. Handicapped shooters may request this field and will be squadded with like yardaged squads in the first available post openings for handicap events on B bank and in open spaces on singles and doubles squads on B bank. The bank assignment process is explained in paragraph 6 on this page.

SHOOT-OFFS

Contestants will be called: First Call, Second Call and Final Call for all shoot-offs. The Final Call will be made 10 minutes after the First Call. All shoot-off contestants must check in at the shoot-off table, The location of the shoot off table will be announced prior to shoot offs. Contestants not checking in at the shoot-off table within 5 minutes of the Final Call will forfeit their opportunity to compete for the trophy in question.

The Shoot-Off sheet will indicate the trophy(s) for decision. No other trophy decision will be part of the shoot-off unless it is indicated on the sheet prior to the beginning of the shoot-off.

In the event that two or more shooters of the same class or yardage group are still tied, a second shoot-off will determine the winner.

CGSTA will make every attempt to have shoot-offs held before darkness or under the lights the same day the event was completed.

All donated trophies held by the CGSTA will be determined by a separate shoot-off (if required). Trophies from other organizations will not be determined by the CGSTA.

Violation of the ATA rule on Alcohol and drug use will disqualify the contestant from participate in the shoot-off. Refer to the ATA Official Rules book dated September 1 2013 See page 41, XII, B, 2;a and page 15, IV,I, 8.

TROPHIES

No shooter may win more than one (1) ATA trophy in the same event. This means a contestant may not win both Champion and runner-up/place, class, yardage, or special category.

Special category shooters may declare only one Category – Lady I, Lady II, Junior Gold, Sub Junior, Junior, Sub Veteran, Veteran or Sr. Veteran, ChairShooter.

Any shooter who is tied for event champion may shoot for the Championship trophy. If a shooter fails in the Champion Trophy shoot-off and has declared a special category, the shooter will fall back to category.

Any shooter who has declared a special category and whose score qualifies him/her for a trophy in that category will compete for the category trophy and not for place, class or yardage group.

Any shooter who has declared a special category and whose score doesn't qualify for a trophy in that category may compete for place, class or yardage group.

See Official ATA Rules dated September 1, 2015, Rule X, D; pg34-35.

PURSES AND OPTIONS

High Gun System: This is a winner(s) take all system where the shooters playing the purse with the highest score(s) divide the pot. If, for example, the purse money division is 40%-30%-20%-10% High Gun and there are two 100s and three 99s, the two 100s will receive 35% each (1/2 of the 40% +30%) and the three 99s will receive 10% each (1/3 of the 20%+10%).

Lewis Class: Other than the high score(s), the other winners in this purse are primarily a matter of chance (luck). When the event is completed, the scores of all participants are listed from highest to lowest and then they are divided into as many groups as there are classes. If a dividing line splits a score, that score goes to the group in which the majority reside, to the lower in case evenly split. At that point, each class allocates its (even) share of the total entry percentage system within the class.

Percentage System: This option is based on a fixed number of scores. For example, if the allocation is 50%-30%-20% Percentage system, then all participating shooters shooting the high score will split 50%, all participants shooting the second high score will split 30% and all participating shooters with the third high score will split the 20% share.

Federal Tax Law requires the issuance of 1099 Misc. on winnings over \$600.

TARGET SETTING

ALL ORANGE TARGETS WILL BE THROWN

The Target Setting Committee shall meet and, after securing predicted weather conditions for the day, set targets each morning and upon event changes in accordance with ATA rule section XIII, E (page 46) and section XIII, F, (page 47-48) of the ATA Official Rules. Singles and handicap targets will be set at a minimum of 42 MPH. Height of singles and handicap targets will be set between 8 and 10 feet using a recommended height of 9 or 9 and ½ feet. The speed of doubles targets will be a minimum of 39 MPH using the right hand target and a height between 8 and 10 feet using a recommended height of 9 or 9 and ½ feet.

After the Target Setting committee has completed setting the targets, the Field Supervisors (Line Referees) are the only individuals authorized to allow resetting of targets. ***Targets shall only be reset if they become illegal or appreciable vary from the legal targets described above. - CGSTA Adjournment

All CGSTA members are encouraged to attend.

The financial statement will be highlighted only; copies will be posted in the Handicap room and on the scoreboard prior to the Annual Meeting. The financial statement may be obtained by written request to the Secretary of the CGSTA by any CGSTA member in good standing.

To be eligible to vote for ATA Delegate (and Alternates), you MUST be a California resident and a member in good standing, a current member of the Amateur Trapshooting Association in possession of an ATA plastic card and an ATA Average card, and have registered ATA targets in at least two (2) target years. The annual meeting will be put into recess for the vote. The Annual Meeting will be called back to order after the voting process has ended. At this point the election results will be disclosed. If one candidate does not receive a majority vote, then a run-off election of the two top vote recipients will take place on Sunday, June 28, 2015.

YOU MUST PRESENT YOUR CURRENT ATA PLASTIC CARD AND CURRENT AVERAGE CARD TO BE ELIGIBLE TO VOTE. A valid picture ID (e.g., California Driver License, Student Body Card) may be required.

CALIFORNIA TRAPSHOOTING HALL OF FAME, INC.

The California Trapshooting Hall of Fame Board of Directors would like to express our gratitude to you all for supporting our cause.

It is through your generous donation of prizes and the purchase of raffle tickets that we are able to not only maintain the existing museum, but also raise the funds for the construction of a larger permanent facility on the site the museum currently occupies.

Once completed, we believe our state will have the finest, most modern Trapshooting Hall of Fame anywhere in the country. We sincerely appreciate your ongoing assistance of our efforts to achieve this goal.

Baker's Custom Earplugs*

Our booth has been on vendor row since the 1980's. We thank you for the privilege of your business and the friendships. I am proud to be a trapshooter for the past 30 years and grateful for your company.

I am also proud to support all the youth shooting activities. They're our future and a great joy to this sport. Juniors always get a discount at our booth and 30% off on all earplugs. We will be there for youth shooting day.

We offer all electronic sports hearing products at greatly reduced prices. We also carry Decot, NYX and E-Z Eyes shooting glasses, grip cap monograms and full grip engraved pieces.

Shooting is not my business, it's my passion.
Best of luck to everyone and I hope to see you in a shoot-off.

PRE-SQUAD PROCEDURE

The CGSTA is offering pre-squadding for the 2016 California State Shoot. There will be a non-refundable \$7 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted, but all entries must be mailed with a \$7 pre-squad fee for each shooter. (There is a provision for any shooter forgetting to send money as this can be added to your entry form and paid for at time of entry.) Shooters wanting to shoot together on the same squad **MUST** send in their forms together.
2. **Do NOT send cash as payment of your pre-squad fees!**
3. **Do NOT pre-pay your event fees (Daily, Event, or Options)!**
4. Send your pre-squad form and check, payable to CGSTA, to:

**CGSTA Pre-Squadding
1045 Oak Glen Rd
Santa Ynez, Calif. 93460**

To assure being pre-squadded, pre-squad forms must be postmarked no earlier than May 9, 2016 and no later than June 11, 2016. The CGSTA will not be responsible for any late or lost entries.

5. If you send a self-addressed, stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.
6. The pre-squad Handicap window will be open Sunday, June 19 from 11am to 3pm. After you are classified, take your entry form to the cashier window. This completes your entry into the shoot. **Only Pre-Squadded shooters will be processed at this time. Regular Entries will open Monday, June 20, at 11am.**
7. To avoid short squads, pre-squad forms **MUST** be picked up and processed before your first requested event or your assigned squad will be opened up to the public for the remaining events. The highest available squad for pre-squad will be #85.

If the requested squad or post is not available, you will be squadded by your alternate choices. If there are not alternate squad or post marked the squadder will use his/her judgment.

People who pre-squad must shoot the same squad number for all events, except for doubles. Because the number of people shooting doubles is fewer, shooters may be moved up to fill doubles squads. Pre-squadded shooters must pay for all targets at the time of their initial entry.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder **MUST** be notified.

Pre-Squadding will be done in the following order:

1. Full squads/individuals shooting the whole program.
2. Partial squads shooting the whole program.
3. Full squads shooting a partial program
4. Partial squads/individuals shooting a partial program.
