

PRE-SQUAD PROCEDURE

The CGSTA is offering pre-squadding for the 2019 California State Shoot. There will be a non-refundable \$10 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted, but all entries must be mailed with a \$10 pre-squad fee for each shooter. (There is a provision for any shooter forgetting to send money as this can be added to your entry form and paid for at time of entry.) Shooters wanting to shoot together on the same squad **MUST** send in their forms together.
2. **Do NOT send cash as payment of your pre-squad fees!**
3. **Do NOT pre-pay your event fees (Daily, Event, or Options)!**
4. Send your pre-squad form and check, payable to CGSTA, to:

**CGSTA Pre-Squadding
1045 Oak Glen Rd
Santa Ynez, Calif. 93460**

To assure being pre-squadded, pre-squad forms must be postmarked no earlier than May 1, 2019 and no later than June 10, 2019. The CGSTA will not be responsible for any late or lost entries.

5. If you send a self-addressed, stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.
6. The pre-squad Handicap window will be open Sunday, June 16 from 1pm to 3pm. After you are classified, take your entry form to the cashier window. This completes your entry into the shoot. **Only Pre-Squadded shooters will be processed at this time. Regular Entries will open Monday, June 17, at 11am.**
7. To avoid short squads, pre-squad forms **MUST** be picked up and processed before your first requested event or your assigned squad will be opened up to the public for the remaining events. The highest available squad for pre-squad will be #60.

If the requested squad or post is not available, you will be squadded by your alternate choices. If there are not alternate squad or post marked the squadder will use his/her judgment.

People who pre-squad must shoot the same squad number for all events, except for doubles. Because the number of people shooting doubles is fewer, shooters may be moved up to fill doubles squads. Pre-squadded shooters must pay for all targets at the time of their initial entry.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder **MUST** be notified.

Pre-Squadding will be done in the following order:

1. Full squads/individuals shooting the whole program.
2. Partial squads shooting the whole program.
3. Full squads shooting a partial program
4. Partial squads/individuals shooting a partial program.
