PRESIDENT'S MESSAGE

.On behalf of the officers and directors of the California Golden State Trapshooters Association, it is my honor to invite you to attend the 106th annual State Shoot being held at Kingsburg Gun Club. The great folks at Kingsburg Gun Club have worked hard preparing for our arrival and again have done an excellent job. I would like to thank all the volunteers from the KGC for their hard work and dedication making this a successful shoot. There are many volunteers that put in long hours to make this a great shoot.

I would like to also thank all the CGSTA directors that have worked throughout the year to make this shoot one of the best.

I would also like to thank all of the advertisers and individuals that have supported the shoot program; the CGSTA appreciates your support and generosity!

We will again continue this year with the CGSTA's traditional way of presquadding. You will find all presquad information in the center of the program.

Ladies bingo, a long standing tradition, will contunue again this year thanks to the efforts of Bev Curten and Ruby Erwin. Bingo will be held on Wednesday, Thurday and Friday afternoons.

Please try to attend the State Team award presentation as we honor our 2019 state team members between events 6 & 7 Friday June 21st, 2019. The presentation will be in front of the Handicapping office.

It has been my honor to serve as the President of the CGSTA this year and I look forward to visiting with all of you at this years shoot.

Thank You ,
John Silva , 2019 CGSTA President

Once a letter is pulled it is not returned to the hat. The first letter drawn is the starting bank for Event 1, the next letter is for Event 2, ect, until all the singles and handicap events have been done.(For Event 9 all letters will be returned to the hat and one (1) letter will be drawn to determine starting bank). Then the letters A-M are put into a hat. A letter is drawn for Event 5 and another for Event 6.

All ties in Events 1,2,3,4,& 5 will be carried over to the next like event and be determined trap by trap. The only exception will be if in a Handicap Event a yardage change will effect a shooter. In that event the tie will be shot off in the traditional manner at the conclusion of the days tournment events. All handicap carry overs will be "cleaned up" on Friday June 21st.

SHOOT-OFFS

Contestants will be called: First Call, Second Call and Final Call for all shoot-offs. The Final Call will be made 10 minutes after the First Call. All shoot-off contestants must check in at the shoot-off table, The location of the shoot off table will be announced prior to shoot offs. Contestants not checking in at the shoot-off table within 5 minutes of the Final Call will forfeit their opportunity to compete for the trophy in question.

The Shoot-Off sheet will indicate the trophy(s) for decision. No other trophy decision will be part of the shoot-off unless it is indicated on the sheet prior to the beginning of the shoot-off.

In the event that two or more shooters of the same class or yardage group are still tied, a second shoot-off will determine the winner.

CGSTA will make every attempt to have shoot-offs held before darkness or under the lights the same day the event was completed.

All donated trophies held by the CGSTA will be determined by a separate shoot-off (if required). Trophies from other organizations will not be determined by the CGSTA.

Violation of the ATA rule on Alcohol and drug use will disqualify the contestant from participate in the shoot-off. Refer to the ATA Official Rules book dated September 1 2018. See page 41, XII, B, 2;a and page 15, IV,I, 8.

TROPHIES

No shooter may win more than one (1) ATA trophy in the same event. This means a contestant may not win both Champion and runner-up/place, class, yardage, or special category.

Special category shooters may declare only one Category – Lady I, Lady II, Junior Gold, Sub Junior, Junior, Sub Veteran, Veteran or Sr. Veteran, ChairShooter.

Any shooter who is tied for event champion may shoot for the Championship trophy. If a shooter fails in the Champion Trophy shoot-off and has declared a special category, the shooter will fall back to category.

Any shooter who has declared a special category and whose score qualifies him/her for a trophy in that category will compete for the category trophy and not for place, class or yardage group.

Any shooter who has declared a special category and whose score doesn't qualify for a trophy in that category may compete for place, class or yardage group.

See Official ATA Rules dated September 1, 2018, Rule X, D; pg34-35.

PURSES AND OPTIONS

High Gun System: This is a winner(s) take all system where the shooters playing the purse with the highest score(s) divide the pot. If, for example, the purse money division is 40%-30%-20%-10% High Gun and there are two 100s and three 99s, the two 100s will receive 35% each (1/2 of the 40% +30%) and the three 99s will receive 10% each (1/3 of the 20%+10%).

Lewis Class: Other than the high score(s), the other winners in this purse are primarily a matter of chance (luck). When the event is completed, the scores of all participants are listed from highest to lowest and then they are divided into as many groups as there are classes. If a dividing line splits a score, that score goes to the group in which the majority reside, to the lower in case evenly split. At that point, each class allocates its (even) share of the total entry percentage system within the class.

Percentage System: This option is based on a fixed number of scores. For example, if the allocation is 50%-30%-20% Percentage system, then all participating shooters shooting the high score will split 50%, all participants shooting the second high score will split 30% and all participating shooters with the third high score will split the 20% share.

Federal Tax Law requires the issuance of 1099 Misc. on winnings over $600.

TARGET SETTING

ALL ORANGE TARGETS WILL BE THROWN

The Target Setting Committee shall meet and, after securing predicted weather conditions for the day, set targets each morning and upon event changes in accordance with ATA rule section XIII, E (page 46) and section XIII, F, (page 47-48) of the ATA Official Rules. Singles and handicap targets will be set at a minimum of 42 MPH. Height of singles and handicap targets will be set between 8 and 10 feet using a recommended height of 9 or 9 and ½ feet. The speed of doubles targets will be a minimum of 39 MPH using the right hand target and a height between 8 and 10 feet using a recommended height of 9 or 9 and ½ feet.

After the Target Setting committee has completed setting the targets, the Field Supervisors (Line Referees) are the only individuals authorized to allow resetting of targets. ***Targets shall only be reset if they become illegal or appreciable vary from the legal targets described above. The final decision as to whether a trap is to be reset shall be made by the Line Referees.***

I am also proud to support all the youth shooting activities. They're our future and a great joy to this sport. Juniors always get a discount at our booth and 30% off on all earplugs. We will be there for youth shooting day.

We offer all electronic sports hearing products at greatly reduced prices. We also carry Decot, NYX and E-Z Eyes shooting glasses, grip cap monograms and full grip engraved pieces.

Shooting is not my business, it's my passion.
Best of luck to everyone and I hope to see you in a shoot-off.

PRE-SQUAD PROCEDURE

The CGSTA is offering pre-squadding for the 2019 California State Shoot. There will be a non-refundable $10 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted, but all entries must be mailed with a $10 pre-squad fee for each shooter. (There is a provision for any shooter forgetting to send money as this can be added to your entry form and paid for at time of entry.) Shooters wanting to shoot together on the same squad MUST send in their forms together.

2. **Do NOT send cash as payment of your pre-squad fees!**

3. **Do NOT pre-pay your event fees (Daily, Event, or Options)!**

4. Send your pre-squad form and check, payable to CGSTA, to:

CGSTA Pre-Squadding
1045 Oak Glen Rd
Santa Ynez, Calif. 93460

To assure being pre-squadded, pre-squad forms must be postmarked no earlier than May 1, 2019 and no later than June 10, 2019. The CGSTA will not be responsible for any late or lost entries.

5. If you send a self-addressed, stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.

6. The pre-squad Handicap window will be open Sunday, June 16 from 1pm to 3pm. After you are classified, take your entry form to the cashier window. This completes your entry into the shoot. **Only Pre-Squadded shooters will be processed at this time. Regular Entries will open Monday, June 17, at 11am.**

7. To avoid short squads, pre-squad forms MUST be picked up and processed before your first requested event or your assigned squad will be opened up to the public for the remaining events. The highest available squad for pre-squad will be #60.

If the requested squad or post is not available, you will be squadded by your alternate choices. If there are not alternate squad or post marked the squadder will use his/her judgment.

People who pre-squad must shoot the same squad number for all events, except for doubles. Because the number of people shooting doubles is fewer, shooters may be moved up to fill doubles squads. Pre-squadded shooters must pay for all targets at the time of their initial entry.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder MUST be notified.

Pre-Squadding will be done in the following order:
1. Full squads/individuals shooting the whole program.
2. Partial squads shooting the whole program.
3. Full squads shooting a partial program
4. Partial squads/individuals shooting a partial program.
