## PRESIDENT'S MESSAGE

On behalf of the CGSTA Directors and Officers, it is our privilege to invite you, family and friends to the 108th California State Shoot June 22-27, 2021, with pre-shoot June 20th-21st

After the unusual events and circumstances of the previous year, many clubs were unable to hold registered events due to Covid-19 restrictions. We hope you will be able to take advantage of this large target count opportunity.

Pitch White flyer targets will be thrown during the CGSTA state shoot this year.

Due to current and near future shotshell market conditions, participants are encouraged to evaluate their needs and supply. On-site availability may be found in this program as detailed by Kingsburg Gun Club.

We encourage participants to avail themselves of the pre-squad services. Pre-squadding will be available beginning May 1st, 2021, with details contained in this program.

A special thank you to all CGSTA directors, who expend numerous hours in preparation for this event, as well as during the entire tournament week.

Also a sincere appreciation to the Kingsburg Gun Club and its members, for their part in making this such a successful tournament.

It has been an honor serving as your 2021 CGSTA President. Thank you for the opportunity.

We sincerely hope you can attend and look forward to seeing you at the Kingsburg Gun Club

John J Hawker  
2021 CGSTA President

# WELCOME FROM THE KINGSBURG GUN CLUB

The Kingsburg Gun Club Board of Directors and the membership would like to welcome you to our club for the 55th time for the 2021 CGSTA State Shoot.

We welcome all shooters and their families to the 108th California State Shoot and we look forward to hosting the shoot in affiliation with the CGSTA. KGC members have worked very hard for the last three months to prepare the grounds for this event.

The KGC, as well as the local community benefit greatly from the revenue that the shoot brings in, please don't hesitate to take advantage of our services or the services in the local communities and surrounding area. It is greatly appreciated.

The Kingsburg Gun Club has self-contained camping spaces that are limited to use only by ATA members and shoot participants. These spaces are allotted on a first-come first-served basis, and are subject to daily camping fees. For Safety reasons no motorcycles, mopeds, motor scooter, or golf carts will be allowed on the club grounds, except those used by shoot personnel. No boats or personal water craft will be allowed on the launch ramp or in the beach area at the Kingsburg Gun Club for the duration of the shoot.

The Kingsburg Gun Club and the CGSTA membership are animal lovers, but we respectfully request that you please leave your pets at home, if you must bring your pets and are participating in the shoot or camping on the grounds you will be restricted to the east end of the grounds near E bank with your pets. Dogs will NOT be allowed anywhere on the grounds west of E bank

A strict 10pm curfew for minors will be enforced. Minors found wandering the grounds after 10pm, and their parents, may lose their camping privileges and be asked to leave the grounds at the club's discretion.

The Kingsburg Gun Club reserves the right to ask any shooter, vendor, or camper, or members of their party to leave the grounds for any reason that shoot management deems necessary.

Shotgun shells and other shooting supplies will be available on the grounds, and we ask that you please patronize our vendors during your visit. No other shells may be sold on the club grounds. Anyone caught selling or delivering shells on the club grounds will be asked to leave.

The Kingsburg Gun Club and the CGSTA welcome you once again and hope that you have a safe, fun, and enjoyable time at the 108th California State Shoot.

Sincerely,  
Don Tatti, President KGC

## **DALE TATE**

SHOOTING INSTRUCTOR

209-763-9040

GUN FITTINGS \* ALTERATIONS

FOR WINGS OR CLAYS

2951 Curran Road Lone, CA 95640

Just as everyone cannot wear the same suit of clothes, neither can everyone shoot the same average production stock shotgun. Dale Tate is able to not only establish a person's exact gun measurement, but then fit each individual with her/his unique and exact fit. Through the use of a special "try gun" and "patterning board," he can establish and record an individual's gun measurements.

Stock alterations must be performed to precise measurements for each individual shooter. Dale is able to "bend" a wood stock using the English hot oil method. He can also adjust the comb and pitch, lengthen the stock with wood or recoil pads, and shorten the stock to an individual's exact specification.

Once a shooter has a custom-fit shotgun, Dale will instruct the person on proper shooting techniques needed to improve their individual field and sport shooting skill. With a properly fitted shotgun and correct shooting techniques, a shooter can dramatically improve one's "score" and "enjoyment."

## SHOOT-OFFS

Contestants will be called: First Call, Second Call and Final Call for all shoot-offs. The Final Call will be made 10 minutes after the First Call. All shoot-off contestants must check in at the shoot-off table, The location of the shoot off table will be announced prior to shoot offs. Contestants not checking in at the shoot-off table within 5 minutes of the Final Call will forfeit their opportunity to compete for the trophy in question.

The Shoot-Off sheet will indicate the trophy(s) for decision. No other trophy decision will be part of the shoot-off unless it is indicated on the sheet prior to the beginning of the shoot-off.

CGSTA will make every attempt to have shoot-offs held before darkness or under the lights the same day the event was completed.

**Violation of the ATA rule on Alcohol and drug use will disqualify the contestant from participate in the shoot-off. Refer to the ATA Official Rules book dated September 1 2020. See page 41, XII, B, 2;a and page 15, IV,I, 8.**

## TROPHIES

No shooter may win more than one (1) ATA trophy in the same event. This means a contestant may not win both Champion and runner-up/place, class, yardage, or special category.

Special category shooters may declare only one Category – Lady I, Lady II, Junior Gold, Sub Junior, Junior, Sub Veteran, Veteran or Sr. Veteran, ChairShooter.

Any shooter who is tied for event champion may shoot for the Championship trophy. If a shooter fails in the Champion Trophy shoot-off and has declared a special category, the shooter will fall back to category.

Any shooter who has declared a special category and whose score qualifies him/her for a trophy in that category will compete for the category trophy and not for place, class or yardage group.

Any shooter who has declared a special category and whose score doesn't qualify for a trophy in that category may compete for place, class or yardage group.

See Official ATA Rules dated September 1, 2020, Rule X, D; pg34-35.

## PURSES AND OPTIONS

**High Gun System:** This is a winner(s) take all system where the shooters playing the purse with the highest score(s) divide the pot. If, for example, the purse money division is 40%-30%-20%-10% High Gun and there are two 100s and three 99s, the two 100s will receive 35% each (1/2 of the 40% +30%) and the three 99s will receive 10% each (1/3 of the 20%+10%).

**Lewis Class:** Other than the high score(s), the other winners in this purse are primarily a matter of chance (luck). When the event is completed, the scores of all participants are listed from highest to lowest and then they are divided into as many groups as there are classes. If a dividing line splits a score, that score goes to the group in which the majority reside, to the lower in case evenly split. At that point, each class allocates its (even) share of the total entry percentage system within the class.

**Percentage System:** This option is based on a fixed number of scores. For example, if the allocation is 50%-30%-20% Percentage system, then all participating shooters shooting the high score will split 50%, all participants shooting the second high score will split 30% and all participating shooters with the third high score will split the 20% share.

Federal Tax Law requires the issuance of 1099 Misc. on winnings over \$600. All shooters that play options at the 2021 state shoot will be required to supply their SS number in the event they are due a 1099 for winning over \$600.00.

## **TARGET SETTING**

### **ALL ORANGE PITCH TARGETS WILL BE THROWN**

#### 2. Section XIII – STANDARDS FOR TARGETS, TARGET SETTING

The correct speed for a singles and handicap target is a minimum of 42 MPH, maximum 43 44 MPH. The correct speed for the right target of a doubles pair must be a minimum of 39 MPH, maximum of 40 41 MPH. A chronograph is to be used as close to the trap as practical and tipped up at approximately the same angle as the height of the target.

Field Supervisors (Line Referees) are the only individuals authorized to allow resetting of targets. ***Targets shall only be reset if they become illegal or appreciably vary from the legal targets described above. The final decision as to whether a trap is to be reset shall be made by the Line Referees.***
